

KWL Chart

Create A Collaborative Chart With Friends

Activity

Students will work in small groups of 3–4 to create their own KWL charts which can later be shared with the class. The possibility of creation in smaller groups ensure that students' voices can all be included. Beyond just including text, students can also draw and include images.

Objectives

Students will be able to

- Explore, generate, develop and organise ideas respectfully as individuals and collaboratively in planned and/ or spontaneous situations for a variety of purposes
- Develop, organise and express ideas coherently, cohesively, creatively and critically in writing and representing to produce texts for a variety of purposes

Extensions

Students can

- Be challenged to use a specific type of medium to represent their understanding (e.g. only images)
