

# Chalk Talk

## Art Discussion

### Activity

Focusing on the big idea – Art influences the way we live. Teachers to create Classkick assignment based on the theme of Human and Technology. Students are directed to share their responses to the essential questions or connect to the thinking that others have demonstrated on the slide. Once complete, students' own set, teachers can then ask station master to put their "virtual hands up" – to active Peer Helper mode, so other teams can either answer or respond to the questions that classmates may have posted.

### Objectives

- Students can record from observation and experience.
- Students can identify and define problems, issues and themes in visual expressions.
- Students can make connections between visual expression and personal experiences.
- Students can critically appraise artists and artwork.
- Students developing an inquiring attitude and lifelong interest in the visual arts.

### Extensions

- After brainstorming with ideas, students are to document their final thoughts in their Art portfolio.
- This task can be set as an independent, pair or group work activity. Teachers can add support to each of the Classkick slides as needed.

## Have a go

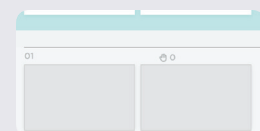

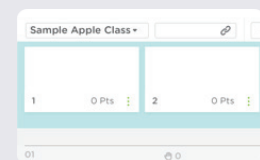

Set up instructions for teachers. Tap , log in as teacher. Tap  to create New Assignment. Tap on the first slide on the Master slide (teacher slide) to create template. Note: whatever you created on the master will be duplicated to the students slides.

Tap on first student/group's slide - Tap  to key in the first statement or question. Tap < on the to left hand corner to exit. Repeat process until finished.

Share the class code with the students. Advise them to log in to the signed group code. Alternatively, teacher can copy the link and generate a QR code for students to log in via iPad.

Teachers can turn on and off peer help from the roster. Tap  then Manage Roster,  and allow peer help.

*If the activities required individual work, teacher can check Single iPad Login function to provide students to login to other people's account.*
