

Pages

Create a digital poster of a place of interest near your home

Activity

Page 5 in the activity book, students can design their poster of a place of interest, ideally near their place of residence.

Objectives

Students will find and research either by speaking to their elders or on the internet to find more about their community

Extensions

Consider including a section for students to use videos if they have on hand and talk through the history itself

Have a go

- 1 Open Pages , select the Event Poster Small template, edit the title to your place of interest.
.....
- 2 Replace the image of your place of interest
.....
- 3 Edit or add more text to describe your place of interest and some history behind it.
